I have read, initialed, and understand the following:

- _____ I understand I am choosing to receive a colonic enema. I will be alone in the room part of the time with a bell to ring.
- _____ I understand there is a **24-hour cancellation policy**. Failure to give adequate notice or missed appointments will require payment in full.
- _____ I understand that if I have heart conditions, bowel, abdominal, rectal pain/bleeding, or hernias, I must first see a doctor prior to receiving a colonic enema. I hold Mardell Hill (AKA: Karen Mardell Hill) harmless of any of my medical conditions or risks from receiving colon hydrotherapy/colonic enema.
- _____ I will be self-inserting the rectal nozzle and may remove myself, at any time, from the rectal nozzle during the colonic enema by backing away from the tank. I will be removing myself from the rectal nozzle at the end of the process.

I understand that I intend, by choice, to receive a colonic enema service. I am aware of the risks and choose to do this service. I have disclosed all information regarding my health that would be relevant to the providing of these services. I have been given an opportunity to ask appropriate questions regarding the service.

I agree that neither I, my heirs, assigns or legal representatives will libel, slander, sue, participate in a suit, or make any other claims of any kind whatsoever against Mardell Hill (AKA: Karen Mardell Hill), family members, or associates, for any character assassination, personal injury, property damage/loss, or wrongful death, whether caused by negligence or otherwise. I accept full responsibility for any risks and understand any violation of these terms and conditions can result in legal action against me and will be responsible for any legal fees against me.
